

The seal of the Texas General Land Office is a circular emblem. It features a central illustration of a bison standing in a field, with a five-pointed star above it. The text "TEXAS GENERAL LAND OFFICE" is inscribed around the top inner edge of the seal, and "ESTABLISHED 1836" is at the bottom.

▶ PROGRAM IMPLEMENTATION

Homeowners will be asked to:

- Submit receipts or invoices for all repairs made on the home and detail what work was performed;
- Submit financial documentation, bank account or credit card statements regarding the source of payment for repairs;
- Certify any, and all disaster assistance received following Hurricane Harvey; and
- Submit photo documentation indicating that damages were caused by Hurricane Harvey.

► In accordance with HUD requirements, homeowners are NOT eligible if:

- The home is in the City of Houston or Harris County, which will fund repair programs through their respective direct allocations.
- The home is in a 100-year floodplain, was substantially damaged/improved and is not at least 2 feet above the base elevation.
- The home is in a 100-year floodplain, and the household income is greater than 120% area median income and homeowner did not have flood insurance on August 24, 2017.
- Homeowner received prior disaster relief assistance for home located in a 100-year floodplain and did not maintain flood insurance.
- The home is in a floodway, which is an area designed to flood.
- The home may also not be eligible if there is lead based paint that was not remediated.

* Email addresses allow applicants to receive notifications on the status of their application. If you do not have access to email, please notify your applicant coordinator to receive updates another way.

*** The City of Houston and Harris County will fund independent reimbursement programs, please refer to their websites for further information.**
